OBJECTIVE

Computer Engineering Technology student and aspiring Full Stack Developer with hands-on experience in web development and digital design. Seeking a 720-hour OJT placement to apply skills, gain practical experience, and contribute to real-world projects. Skilled in building clean interfaces, troubleshooting, and delivering polished results.

EXPERIENCE

Full Stack Web Development

2025

Liraya Web Application (Thesis Project)

- Developed a functional web application system as part of the capstone project.
- Worked on both front-end (UI/UX, layout, responsiveness) and back-end features.
- Assisted with debugging, deployment, and improving user experience.
- Contributed to documentation, prototype building, and final defense presentation.

Public Relations Officer

2024 – 2025

Association of Computer Technology Students (ACTS) – TUPC

- Created digital content, pubmats, and video materials for organization events.
- Managed public communication and announcements across platforms.
- Strengthened branding through consistent visual and written materials.
- Collaborated with teams during event organization and information dissemination.

Freelance AutoCAD 2D & 3D Drafting

2022 – Present

- Created 2D layout drawings and 3D model drafts based on client specifications.
- Delivered accurate, clean, and organized CAD files for academic, personal, and small project use.
- Managed client communication, revisions, and submission timelines.
- Applied technical precision and problem-solving in real-world drafting tasks.

EDUCATION

Bachelor of Engineering Technology Major in Computer Engineering Technology

Technological University of the Philippines – Cavite

2022 – Present

Science, Technology, Engineering, and Mathematics (STEM) – With Honors

General Mariano Alvarez Technical High School

2020 – 2022

Junior High School – Consistent With Honors

General Mariano Alvarez Technical High School

2016 – 2020

SKILLS

Programming & Web Development
